Abbey Cottage has been owned by the same family for three generations and was opened in 1983 as a tearoom. In our first year we gained an entry in Egon Ronay's "Just a Bite" Guide.

In 1998 we were a finalist in the "Natural Cooking of Scotland" section of the Thistle Awards. In 2000 we became an accredited member of "The Campaign for Real Food". In November 2002 we gained Scotland's top catering accolade - The Macallan Taste of Scotland Award - as the nation's Best Coffee Shop.

In 2011 we are delighted to say that once again we have received an award of excellence from The Tea Council in The Top Tea Place of the Year Awards.

Our goal has always been to serve good, honest food in a relaxed and informal environment. All our meals are freshly prepared and made to order. Please bear with us if this takes a little longer than establishments selling fast food.

We make our jam using fruit from our own garden which also provides us with seasonal herbs and salad leaves.

We trust that you will have enjoyed your meal and that you will return soon.
